AF

(UFO)

Dear Sirs,

I have spotted an unusual object flying overhead. I followed it with my binoculars & discovered it was a small, dark, rounded object which descended from the atmosphere & landed.

Yours truly

[REDACTED]

1. When did you see it?
2. Time of day 11:30 A.M.
3. Time zone eastern
4. Where were you when you saw it? about 100' off ground recently
5. How long you could get a look at it about 5 seconds

1. When did you see your first object  
in front of you?

2. Was it brighter than the background  
of the sky yes

3. Did it have a  
bright light around  
it and a tail of light

4. Did it have a  
bright light around it  
and a tail of light

5. Did it have a  
bright light around it  
and a tail of light

6. Did it have a  
bright light around it  
and a tail of light

7. Did it have a  
bright light around it  
and a tail of light

8. Did it have a  
bright light around it  
and a tail of light

9. Did it have a  
bright light around it  
and a tail of light

10. Did it have a  
bright light around it  
and a tail of light

11. Did it have a  
bright light around it  
and a tail of light

12. Did it have a  
bright light around it  
and a tail of light

13. Did it have a  
bright light around it  
and a tail of light

14. What did the object appear to be?  
It was solid

15 Tell you in the night though nothing  
no I saw it will my eyes

16 I call a hammer but the steel  
and it didn't give off a sound  
but it was too well made

17 I had a like this  
~~and it~~

18 The edges like I said were sharp  
and turned

20. The object first appeared at I am  
opposed at

21 Could you cause the largest possible  
size of the object 110 feet

22. Like size would the size of a tree  
had a hole in the middle

23. How big a rock can you  
it does not break

1. A description of the land  
~~surroundings~~: like I was walking  
between a bound book and a page full  
of paper.

25. What were you doing when it  
began?

26. What were you doing when it  
ended?

27. What were you doing when it  
was at its height?

28. When you last went west?

34. What were the conditions of the  
weather?  
Clouds: scattered  
Weather: dry  
Wind: slight  
Temperature: cool

35 When did you report it to an officer  
Carib 21, 1965

36 Was anyone else with you?

No. No other than your son was there.

37 Did you know or suspect that he had  
caused the damage or not?

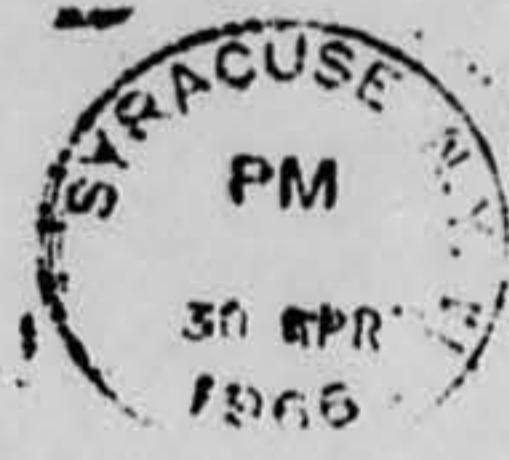

38 Do you think you could estimate the  
speed of the object? You about how fast?

40 Do you think you could estimate  
how far the object was from you?

41 [REDACTED]

Telephone number [REDACTED]  
What is your current job, education,  
age, male

42 Do you want to say anything else?
